The Community Arts Center will not administer any medications or inhalers to students, but we will monitor them when they self-medicate. Epi-Pens or Auvi-Q's will only be administered in case of an emergency ONLY with this form signed and on file, along with written instructions accompanying the medication devices in a bag labeled with their name and emergency contact information. This bag is required to be delivered with the student on or before their first day of class/camp and will be kept in the main office of the CAC. In the case of minor cuts and scrapes, CAC staff will clean and dress the wound and if needed apply a topical antibiotic ointment. Please let us know if your child has any allergies to first aid supplies

I, \_\_\_\_\_ hereby authorize a Community Arts Center representative to:

- Administer an Epi-Pen or Auvi-Q according to the written instructions that I have provided for my child
- Clean and dress superficial wounds, cuts and scrapes my child may acquire while in class/camp
- Initiate Emergency Medical Services and emergency care for my child in the event that we are unable to reach any emergency contacts

**PARENTAL CONSENT:**

As the parent/guardian of the above named child, I give my approval for his or her participation in any and all Community Arts Center activities, and assume all risks and hazards incidental in such participation, and hereby waive, release, absolve, indemnify and agree to hold harmless the Community Arts Center and its agents and employees from any and all liability and/or damages whether the result of negligence or for any other cause. I grant permission for CAC representatives to photograph/video my child and for CAC to use images (still and/or video) of my child on the Summer Spree blog, and for publicity in print and online (We will not publicize names or personal information. If you need an exception to this photo/video consent for safety reasons please contact the CAC office.)
